

Our services:

Consultation
by telephone,
free of charge:

Tuesday

Thursday

10.00 to 11.30 am

+49(0)8151-55 64 155

- Consultation by telephone free of charge for parents seeking advice.
- The consultation is provided by an experienced therapist: Mrs. Emmerling. She has been a systemic family therapist for 26 years, and runs a psychotherapeutic practice for children and adolescents. For the past 18 years she has specialised in selective mutism.
- Assisting parents in the search process for suitable therapy opportunities.
- Contacting preschools/schools in order to obtain understanding for the child with selective mutism.
- Therapy for children with selective mutism.

We will stand by you
in word and deed.
